EXCLUSIVE!

It's Magaluf Weekender's Jamie-Leigh!

Meet ITV2's hot new reality star!

➔ **MADNESS, MAYHEM** and Magaluf! The three go together like an easily drinkable cocktail. Now you can watch the whole lot unfold without the risk of hangovers or downstairs itchiness in new ITV2 show *The Magaluf Weekender*.

The best bit – as you can see – is gorgeous Jamie-Leigh Paley, 22, who mans the front line as a tour rep. Not only does she party hard, she's also partial to snogging girls. Gents! To EasyJet! A boys' weekend is suddenly on the cards! ►

HOLIDAY HELPER!

The series sees Jamie-Leigh assist holiday-makers staying at Magaluf's Lively Hotel in Mallorca.

"I'm sure there

RACY REP!

"I've had this
crick in my
neck all day"

"Be honest. Can you see my bum in this?"

So, what's this *Magaluf Weekender* about?

It's about a team of reps in Magaluf. Apart from me,

there's ladies' man Jordan, Brett the big boss man, and Imogen the party animal.

Is it true that you had a bit of a disagreement with Imogen?

She threw a vodka and tonic in my face during an argument! We're all good now though.

What does a rep in Magaluf do?

Help alcoholics have the best time of their lives! I'd help people get cabs, find their hotels or see a doctor.

Tell us about a duty reps have that we don't know about.

One group of lads were hopeless with women, so Jordan decided to give them a makeover. It was a disaster!

Um, we'll pass, thanks! What do the women wear on the show?

Bikinis and G-strings – and that's just on nights out! I have to wear a T-shirt as part of my uniform. I'm squeezed into little hotpants 24/7.

We understand you had a lady romance out there.

Well, I'm bisexual. I met a gorgeous, tanned girlie! I met her on day one of her holiday.

Did any of this romance make the show?

Yes! You see some kissing.

So, who's your ideal woman?

Keira Knightley. I like my girls feminine and ladylike. The kind I can boss around!

How would us chaps get your attention then?

Be funny and look like Hugh Jackman. When I'm with a guy I like to be looked after.

So, can we expect to see more of you in lingerie?

Why not? I loved doing it!

● *The Magaluf Weekender* is on ITV2, Sundays at 9pm.

"I'm always wearing little hotpants on the show!"

Leaning lorry!

German truck squishes poor pensioner's runabout!

LOOKING FOR all the world like it has fallen straight out of the sky, this is a 40-tonne German truck which somehow not only managed to jack-knife across two entire lanes of northern German B-road, but then toppled on its side like some dramatically dying hippo in an Attenborough doc.

The two poor passengers in the car – a 72-year-old driver and his similarly wrinkly missus – managed to brake in time and watched, aghast, as the lorry flopped onto their motor. The olds were thankfully unharmed, but the driver was treated in hospital for shock. Which, in microcosm, is why they lost the war.

A quick word with John Bishop!

The comic on grannies, teeth and being tied up!

Hi John! Tell us about your new show, *John Bishop's Only Joking*.

A lot of comedy shows these days are people doing a set. You have to watch someone do ten minutes on *Live At The Apollo* before the person you want comes on. I wanted something where the joke is the focus. People come on, tell a joke, we move on and the next person tells a joke. It's a quick-fire succession of jokes from comedians, celebrities and members of the public.

Aren't the professional comics worried about being shown up by members of the public?

One of the Sunday papers said the members of the public are there to make the professionals look good. I thought, "If the professionals don't look better than the public, we've all

cocked up, haven't we?" There's a structure to telling a joke. It's like selling something. You think this thing is funny and you have to persuade other people to buy it.

Is a funny face simply enough to make someone funny?

Hang on! You can't say to me, "Have you got a funny face?"

Well, you do have impressively funny teeth. Are they your own?

Do you want to borrow them or something? What's good about the show is that it goes from style-to-style, person-to-person and face-to-face very quickly. Everyone makes you laugh, whether it's a bald man or a good-looking woman.

Did you have to give any of the celebrities other jokes to read because theirs were so bad?

Do you honestly think Freddie Flintoff and Jamie

Redknapp have got jokes in their heads? Ha! Some had loads. With others we took a few jokes in but it's surprising how many said, "Can I do this one, that's mine."

Will Nuts readers find the old comedians on the show funny?

We're lucky in Britain, the quality of the comedians on the stand-up circuit is really high. But we also have these comedians who've been honing their craft for 50 years. If you're doing a family show, you want someone your grandma laughs at and goes, "I remember him," and someone the kids like because they look like them.

Are you tempted to steal jokes from members of the public?

If I wanted to nick them, I could. But it would be pretty appalling if I had to go nicking jokes off undertakers.

Remind us, what did you do before you were a comedian?

I worked for a pharmaceutical company. This was another reason I wanted to mix ordinary people into the show, because I didn't walk on a stage until I was nearly 35. What's great about comedy is that it's the most immediate form of communication. If you say something and people laugh, you're funny.

You've tried serious acting too, like *Skins*. Do you have a dark side or do you need laughter to sustain you?

God, that's a deep question. After this interview, I'm off to Soho to be tied up in a dungeon and walked on and called a baby.

But isn't there the "tears of a clown" theory with comedians?

The comedians I like the best are the ones where what you

see on the stage is what you get. Jason Byrne looks daft on stage and off stage he's still just daft. I love it when you get to know somebody through their act. When you see people who are funny on stage and melancholy in the dressing room, I think, "Oh b*lllocks to it, get another job!"

Are you always cheery then?

Somebody once said to me, "What went wrong in your life?" I thought, "What are you on about?" He said, "Well, something must have gone wrong for you to want to make people laugh. You're trying to win people over." No, I'm f**king not! Or maybe I just don't know. Maybe I'll be on the news next week when I've gone mad in a shopping centre.

what they remind us of...

SUPERPHONES!

Sony's flagship mobile, the 4G Xperia Z has a full HD screen, 13.0-megapixel camera and Near Field Communication, so you can play video just by tapping a compatible TV. Plus, it can do it all standing it in a glass of water. For some reason.

GAMING ROOM O' WONDER!

Xbox's concept tech – called IllumiRoom, great idea, silly name – uses an Xbox, Kinect sensor and projector to create a gaming playing area as big as the wall behind your TV, filling in explosions, fire and scenery. Incredible.

2013's coolest tech!

Straight from the floor of the CES expo!

THERE'S AN annual nerd

stampede to Las Vegas every January where tens of thousands of chaps with ironic T-shirts, funky, musky odours and industrial-strength girl repellent gawp at shiny new tech at CES – known

to its mum as the Consumer Electronics Show. All sorts of lovely, electricity hoovering, chip-filled stuff's shown on expensive expo stands. Some of it is astonishing, some revolutionary and some just plain silly. Here's our pick of the most newsworthy.

IT'S THE MECCA FOR NERDS!

CES has been successfully wowling geeks the world over since 1967.

WORDS: RORY BUCKERIDGE

ANDROID GAMING GROWS UP!

Chip maker Nvidia's "Project Shield" is a handheld gaming device with a built-in high-def screen that runs Android to play games on. You can also stream PC games from your computer via Wi-Fi, and output them to your TV via HDMI.

VIRTUAL REALITY IS BACK!

This is immense. Pushed by the bloke who made the *Doom* games, the Oculus Rift is a headset with a motion tracker, so when you look around in real life, you look around in the game. Then shoot stuff in the face!

CLEVER CUTLERY!

Weird, this. The HAPIfork is an interactive fork that tracks how fast you shovel your food in, the idea being that hurried eating results in obesity. It vibrates if you eat too fast, and then tracks every single mouthful on an app.

THE PC "CONSOLE"!

PC behemoth and *Half-Life* maker Valve is getting behind this: a grapefruit-sized PC games machine linked to Valve's Steam gaming network that will pipe full-fat PC games to your flatscreen. Sony and Microsoft, be afraid.

Enough already! Tech we didn't really need to see!

THE PHONELET!

Or tabphone. Guys, either make a) a phone, or b) a tablet. You'd feel silly pressing Huawei's 6.1in (iPad-sized) thing to your ear.

EVERYTHING RETRO!

If we see another cutting-edge gadget hiding behind retro trappings, we'll jolly well tut and roll our eyes. Don't test us!

TV ARMS RACE!

4K resolution! 8K resolution! 84in OLED sets only footballers can afford. And there's no content for them. Pointless!

CELEBRITY ENDORSEMENTS!

Will.i.am's iPhone camera! *Jersey Shore*'s Snooki's headphones! Actually dead Bob Marley's speakers! That's enough, now!

SELF-DRIVING CARS!

Google has been testing autonomous cars for a while. But Audi could be first to the market with their prototype. Get this: give an app a stab and it'll pick you up, drive around at up to 37mph, then step out, and it'll park itself. Think on that.

THE WORLD'S THINNEST WATCH!

Watch start-up Central Standard Timing plans to make the world's thinnest watch. The CST-01 is just 0.8mm thick, weighs only 12g, uses an e-ink display, can be recharged 10,000 times and lasts over 15 years. We want one!

Mad Mexican supercar!

Mexico's Mastretta MXT-R goes like chilli off a shovel!

"Ugh! Too long on the carrot detox"

- Mexico entered the world of supercar bolting-together in 2011 with the Mastretta MXT. Think of it as a South American Lotus Elise. It's wider and longer, but the Mastretta is a pretty basic recipe constructed of an aluminium skeleton featuring carbon-composite floorpans and a fibreglass bodyshell.
- The MXT-R promises to be a more hyperactive incarnation of the existing model in the form of a halfway house between road car and balls-out race tool. The latter hasn't yet been released, but will be called the MXR.
- The MXT-R's trump card is more power and a different engine. It still uses a Ford four-cylinder turbo motor, but instead of the older Duratec, the car now has a more potent EcoBoost 2.0-litre, taken from the new Focus ST. With direct injection and ECU tickling, the horses have increased to 285.
- While this isn't likely to have 500, 600 and 700bhp supercars quaking in their carbon-fibre boots, the Mastretta has lightness on its side. So that 285bhp only has to haul a tonne.
- This diet means the MXT-R will scarper like a Chihuahua in a room full of rattlesnakes – 0-62 in 4.5 secs and a top end approaching 170mph.
- The MXT-R is also awarded some visual treats. There's an aggressive front splitter and new rear wing to add to the subtlety. Stopping won't be an issue with 300mm cross-drilled discs and four-piston calliper brakes in each corner.
- Like the MXT, the MXT-R won't have driver helpers or electronic assists that dull the experience. It should still have a manual gearbox, and with simple Ford mechanics, it's a car that won't mug your wallet for running costs when it comes to servicing and maintenance. That's after you've handed over £38k to buy one, obviously.

'I put my hand straight through a table saw!'

This is what happens when you turn your back on flat-pack!

NUTS READER

Danny McGrath, shunned the flat-pack option to build his own wardrobe, but a lapse in concentration saw the 33-year-old from Horsham picking the tips of his fingers off the floor.

"I put my hand through the table saw I was using,"

Danny tells *Nuts*. "I lost the top of my middle finger and the ring finger of my right hand!"

Worse was to come for Danny because he lives 40 minutes away from the nearest hospital, so he had to tourniquet his hand to stem the bleeding and drive himself there.

When he finally arrived, medics had to keep Danny

conscious during surgery – something which was a bit unsettling for him.

"It was a bit surreal," he adds, "watching them use surgical tools on my hand. I took the bits of my fingers with me but they could only reattach one."

As for DIY, we suspect Danny will be leaving it to the experts in future.

Will I get hurt?

I've been sleeping with my ex, but I worry it'll end up hurting me more when it's over. The sex is great but where's it going?

ANON via email

With these situations, you'll know the answer deep down. You'll know if she's just using you for sex, you'll know if you're going to end up back together, you'll probably even know if she's your future wife. Make a decision: either fight for her or let her go.

Is age an issue?

I'm in my early 20s and usually sleep with girls around the same age. I've always made them come but I never get to finish. On a recent holiday, I slept with a 41-year-old. We were at it for two hours and both came twice. So should I stick to older women?

JAKE Cornwall

LETTER OF THE WEEK!

Sex ban worries me!

My girlfriend and I have been together for two years but we don't have sex very often. I work away and only see her at weekends. The first thing I want to do is jump on her, but she's not the same and says she could happily go without. I love her more than anything and want to be with her, but I can't be with someone if we're not being intimate.

ANON via email

Women normally prefer full commitment, as it makes them feel secure and loved. Without this, vulnerability and suspicion can arise. Before worrying about the sex, find out where your relationship actually stands.

You'll find you have a better sexual connection with some girls than others - it has nothing to do with their age. If you rush sex, the vagina can

become sore. The wetter she is, the deeper and rougher you can go. I suggest you put more work into your foreplay to ensure a longer encounter.

I'm terrible at flirting!

When I'm on a night out with my friends, I can banter and joke endlessly. However, when it comes to chatting up girls, I don't know what to say or do - I always feel so nervous!

SAM via email

Sam, my sweetie, grab your balls in your hands and look in the mirror. Be a man, find your charisma and lead. Women are suckers for authority figures. Opening the door and asking how their day was actually gets them off! Take control and relax. Girls are as scared of boys as boys are of girls.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p64.

Kheenah

She's a saucy ex-dental nurse from Milton Keynes!

Hi Kheenah! How does it feel to be in *Nuts*?

Hello! It's amazing. I've always wanted to appear in *Nuts* as it's the best of all the blokes' mags. The girls are always beautifully shot.

Where's your name from?

My dad's Swedish. It gives me something to talk about! I've also inherited the blonde hair and blue eyes from him.

What's your favourite thing about *Nuts*?

The girls! They always look cheeky but still glamorous.

Describe your ideal shoot...

It'd be in a beautiful mansion house telling a story through each room. I could start with a naughty food-themed shoot in the kitchen, then something fun and sexy in the living room, then the bedroom!

What were you doing before you became a model?

I was a dental nurse. We had attractive staff so guys loved coming in. It helps to have a sexy girl fussing over you as you have your work done.

How can a chap impress you?

I like it when guys are having loads of fun with their mates – drinking games, being silly – and then get us involved.

Have you ever been topless in public?

Only sunbathing. I was on a girlie holiday and, obviously, tan-lines were banned!

Nice! Finally then, what are you like on a night out?

I'm the first on the dancefloor, last off the dancefloor. I'm very shy, but I'm always being cheeky and getting into trouble!

A BLOKE'S in the car with his mate when he says, "Stop - I need the toilet!"

His mate passes him a bottle and says, "Use this."

A few seconds later, the bloke says, "Whoops, I've got some on the seat."

"It's OK, it's my mum's car," comes the reply.

"OK, but have you got anything I can use to wipe my bum?" asks the mate.

Scouts honour

A BLOKE phones his brother to thank him for buying him the latest *Football Manager* game for Christmas.

"It's so realistic," says the recipient.

"How's that?" asks his brother?

"I took control of Man United and I got my scouts to recommend a signing who'd help me win the league," explains the man. "They said I should get Howard Webb!"

Curious kids

A WOMAN tells another mother, "I caught your son playing doctors and nurses with my young daughter!"

"Well, they're bound to be curious about sex at that age," says the boy's mum.

"Curious?" replies the other mum. "He's taken her f**king appendix out!"

Confessions of a Porn Star

Adult actress Gloria Savage answers your questions!

When you first meet a bloke do you reveal your job right away?

JOE BRIDGEMAN

"Obviously not within the first few minutes – unless I'm really drunk! But I'm a very straight-up person and I've never lied and said I'm an accountant or anything. If a man is up front enough to ask, then I'll tell him the truth!"

Do you always have to fancy the person you're having sex with?

DAMIEN CHATHAM

"There have only been one or two times when I've had to have sex with a guy where there's just been no spark or connection of any kind. Even if I don't fancy a guy straight away, there's nearly always one feature of him that I find attractive. Or if he's just got great banter and is a bit cheeky then that can be enough."

What's the most extreme thing you've done on camera?

ELIJAH BIRMINGHAM

"Definitely ball busting. This is when you wear very sexy boots and kick guys in the balls, as it turns them on. It's a pretty easy way to earn a day's wage and I really enjoyed it. It can get a bit much though. I actually burst a guy's ball sack once. I kicked him so hard. He was on the ground begging me to kick him again! It's a fairly extreme fetish."

What are you best at?

NOEL LONDON

"Blow jobs for sure. Purely because of the reaction I've got from men both during films and in my personal life. One guy came so hard when I gave him a blow job that he punched my bedhead and broke it when he came! I think that's a sign that I did a good job."

Can you have a normal boyfriend and still be a porn star?

RYAN ALDERSHOT

"I'm actually married! My man has always been very supportive, though I've dated other guys in the past who've got really turned on by the idea of having a porn star girlfriend. But then they get insecure and jealous. You have to be a certain type of very confident man to date a girl in the adult industry."

How well off are you?

DAVE LONDON

"People think that girls like me are getting between three and five thousand pounds a scene. The truth is it's more like a third of that. It's not a job that's going to make you a millionaire, but it's well above average and it's enabled me to do things like buy a nice car outright and have a more comfortable life than a lot of other 23-year-olds."

What's the largest number of partners you've been with at once?

MAX IPONICH

"Three guys is the most at one time on set. It got a bit much as I was dating one of them at the time. I got very carried away and kissed one of the other guys on the lips during the middle of the scene. The guy I was dating just instinctively turned around and slapped him!"

Do you ever worry that your movies will be accessible forever?

TOM WALSHALL

"Life's too short to regret things like that – though my porn career has come back to bite me, of course. I recently won a beauty pageant but I had the award taken away from me as somebody found out that I was doing porn!"

I'm a 19-year-old bloke and I reckon I'm good-looking and well-hung. How do I get into porn?

PETE SOUTHERD

"It's just hard work and determination, like any other job. Just go online and look at the websites for the different adult casting agencies, send them some pictures of yourself and don't give up if you get rejected the first time around."

What's the most amusing thing that's happened to you while on set?

GREG CAMPBELL

"One that definitely sticks in my mind was a time I did a scene when I just couldn't stop peeing! A guy was screwing me and he obviously touched something that hadn't been touched before. It was a very strange reaction – everyone on set was laughing, and it's never happened before or since."

Can a normal bloke chat up a porn star?

JERRY WIGAN

"Don't assume that because girls are porn actors that they're going to be easy and screw you straight away. So just don't try too hard, be yourself and don't launch into talking about sex from the start – a bit of romance and flirtation first is far more attractive."

Do you find sex on camera a turn-on or is it just "the day job"?

HOWARD MANCHESTER

"At first, it was a huge turn-on but as you get used to it, it becomes more of just a day-job – although still a pretty enjoyable one! You're more focused on being professional and getting it right rather than just being 'in the moment' after the first few months."

Have you suffered any sex injuries?

MATT LONDON

"I've had to have an ice pack on my private parts a few times as I was having sex all day for seven days straight, and then coming home and having sex with my boyfriend."

GLORIOUS GLORIA!

As Syren Sexton, Gloria has won two Shafra awards and now does mainstream movies.

Who's the biggest male performer you've been with?

STEVE CARLISLE

"When I did a shoot in Los Angeles, there was a guy known as Voodoo whose c*ck was about 12 inches and incredibly thick as well. I was worried about it as I was told when I arrived on set that a girl had filmed a scene with him the day before and was just crying as she couldn't take it. But it turned out I could take him just fine."

How has porn changed since you first started working in it?

JACK BRIGHTON

"There's actually less work around at the moment, so a lot more girls are also doing escort work these days. I'm lucky because I now make mainstream films. I was in *Strippers Vs. Werewolves* last year, which was great fun! My advice to newcomers is to be very careful but, don't be put off!"

How do you score yourself out of ten when you watch yourself back?

ROB BRIGHTON

"Ten, of course! That's not me being conceited. I just have a real enthusiasm for trying new positions, new toys, new places to have sex... I just never want sex to get boring."

What do your parents think about what you do?

CARL COLCHESTER

"They were concerned at first, but they've been amazingly supportive of me. I doubt it was the career path that they had in mind for me, but they've always let me make my own choices. There's a bit of an unspoken rule between us that we don't go into any details of my job at all."

Dos and don'ts

Planning a trip to the sex shop? Take this advice from the girls in the know!

DO "...ask questions. Blokes are understandably nervous about coming into the shop. We know you might feel a bit embarrassed. It's cool!"

DON'T "...hide in the corner and look shifty. We'll probably think you're shoplifting!"

DO "...come prepared. If you're buying lingerie for your partner, make sure you know her sizes."

DON'T "...think we're going to judge you. The vast majority of girls who've applied to work here are very interested in the world of sex."

DO "...have a laugh with us. To work in a sex shop, you have to have a sense of humour."

DON'T "...come in with your mates and act like idiots or we're likely to chuck you out!"

Foolproof advice from five proper sexperts!

our rudest ever cover star
Holly Hagan

1 "Film yourself. You'll try so much harder because you know you're both going to watch it back!"

2 "I love sex toys, but I prefer a man to a toy, so I want the vibrator to be an add-on. Buy your girl a vibrator and say you don't mind if she uses it during sex."

3 "Guys think the faster they can do something the better, but it's the opposite for foreplay. Kiss her neck and tummy. You'll get back what you give!"

5 "Tell her she's sexy. I hate it when guys just use rude words over and over in bed!"

4 "Only half of a girl's excitement comes from you touching her rude bits. Use your lips, be soft and take your time. Slow kissing is much more of a tease than the heavy stuff."

our sexy columnist
Danni Orsi

6 "Froth up some mint body wash and directly aim the shower head near her clitoris and watch her come. Never fails."

7 "During foreplay, rub a cheeky finger around her anus while inserting your fingers in her vagina. It's all about rhythm!"

8 "During intercourse, build up the speed, then thrust your last stride hard!"

9 "Kiss her feet. Bite near her knee. Suck the inside of her thigh. Breathe on her vagina. Caress her nipples. Pull her hair!"

10 "Touch her in public under the table. Make her blush and don't stop. Then take her to the toilets for a seeing-to."

11 "Place a mirror in front of your bed. Sit behind her and let her watch as your hands roam her body and play with her clit!"

12 "A humble ice cube can spice up your foreplay. Drive your woman wild by rubbing one on her nipples and hold one in your mouth while you perform oral sex."

13 "Tease your lady by giving her a dirty phone call or text at work telling her what's in store when she gets home!"

14 "Slice up some fruit to feed your girlfriend, dipping bits in chocolate and yoghurt and parts of her body too!"

15 "The best position to stimulate her G-spot is the reverse cowgirl. This involves her being on top, facing away from you. The angle of the penis does it!"

**Hella

16 "Women take time to physically and mentally prepare for sex, so kiss and cuddle to build up!"

17 "Give her a five-minute erotic massage and she'll beg for more. The sexual anticipation will drive her wild!"

18 "If we straddle you like a bucking bronco, we want to ride you our way, so don't bounce us up and down like a rag doll!"

19 "Spend time alternating between circular motions and up-and-down motions with your tongue to get her fired up, then slip a couple of fingers in her."

20 "One thing sure to make her come is tickling her clit, so learn to stimulate her properly using your fingers. You're doing it right if her clitoris swells!"

NICOLE AND DANIELLE PRESENT...

The A-Z of Sex!

Welcome to *Nuts*' encyclopedia
of everything rude!

THE SEX ISSUE!

Adult fiction

Nicole: "I'd prefer a film version of *Fifty Shades Of Grey* – to get to the good bits quicker! But us girls do love a cheeky read."

Danielle: "I like a naughty book, but I'm not much of a reader. Perhaps if it gave me lots of ideas I might have to pick one up."

Bondage

Nicole: "I'm all for tying people up! Danielle and I tied each other up for a shoot once and it felt very sexy."

Danielle: "I loved those silk ties – they felt really sexy on my skin."

Cybersex

Nicole: "I see nothing wrong in sending a cheeky email to brighten up a work

day – just make sure you send it to their personal email, not their work one!"

Danielle: "Yes, whatever you do – don't send a rude email to a work address. But there's something really naughty about being rude with someone on a computer – especially if you live far apart."

Domination

Nicole: "Lead a girl into the bedroom, look her in the eyes and tell her she isn't allowed to touch you until you say so. That's so hot!"

Danielle: "Maybe bring in a blindfold – it feels really nice to be kissed and not know where they're going to kiss next!"

Eye contact

Nicole: "Having heavy, lingering eye contact with someone you fancy is so sexy.

It's a deal-breaker that a man can hold my eye."

Danielle: "Eye contact is the hottest, sexiest way of finding out if someone you like is really into you. Remember that."

Food

Nicole: "A bit of chocolate or honey never did any harm in the bedroom – I'm all over the food front."

Danielle: "Just keep away from a girl's hair. That's an immediate passion killer. Ha-ha!" ▶

THE SEX ISSUE!

G

G-strings

Nicole: "I never wear French knickers - I'm a G-string girl all the way. They leave no lines and always make me feel very desirable."

Danielle: "String underwear is best - It always makes you feel like you have nothing on!"

Handcuffs

Nicole: "I must've worn handcuffs more than any girl I know. The thing is, I can slip my hands out of them very easily – it's an exciting talent to have!"

Danielle: "It can be hot giving someone else all the control, but you'd have to really trust that person first."

Jewellery

Nicole: "Never underestimate the sex appeal of a good necklace. I'd wear

a big necklace and nothing else as a special treat for a bloke."

Danielle: "I guess jewellery can be made very rude if you want it to be."

Kissing

Nicole: "I like soft and slow kisses, but also a little gentle biting. Biting can be hot."

Danielle: "Biting? Not on my lips, please. If a guy is a bad kisser, he's getting absolutely no further!"

Licking

Nicole: "This might sound a bit weird, but if you're on a date with a guy, if he leans in and puts the tip of his tongue on your earlobe, that can be really hot!"

Danielle: "I like a bit of a lick. Anything near the ear can be quite hot for a girl." ►

Ice cubes

Nicole: "I was out with fellow *Nuts* girl Sabine the other night and she grabbed some ice cubes out of

a drink and rubbed them across her chest. My mouth hit the floor!"

Danielle: "They can be nice, but be careful, boys – I think no girl would appreciate you using ice cubes without asking."

Phones

Nicole: "If someone stole my phone they'd think I fancied women. I have so many rude and raunchy pics of hot girls. I can't get enough!"

Danielle: "Phone pictures can be sexy, but only really pics of girls. No one wants to get an image of a bloke's bits!"

Massage oils

Nicole: "I had a massage the other day from Sabine and it was so good, my mouth ran. That's how much I love them."

Danielle: "A massage is always a good starter for sex – it can really put a girl in the mood."

Nails

Nicole: "I love having long, manicured nails so I can scratch a guy's back or mess up his hair."

Danielle: "Guys, please look after your nails – it's rank seeing a guy with grubby fingernails!"

Outdoors

Nicole: "I love the outdoors – I'm from the New Forest so there isn't an awful lot else to do, is there? Ha-ha!"

Danielle: "All men should be spontaneous. It's exciting to do some naughty things every so often."

Quickies

Nicole: "I don't believe in quickies. Sex shouldn't be rushed!"

Danielle: "Getting in a quickie can be fun, so long as you don't fall asleep straight after."

Role-playing

Nicole: "I've dressed as a showgirl with a feathery green bra, headdress and tiny black pants and suspenders."

Danielle: "Girls like a bit of role play. Why not put a request in and find out?"

THE SEX ISSUE!

S

Spanking

Nicole: "It's too funny to be sexy. I spanked a friend once and we just fell about laughing!"

Danielle: "I quite liked being spanked on this shoot, but I wouldn't be too impressed if a guy tried it without asking. Ha-ha!" ▶

U

Undressing

Nicole: "I prefer to undress myself than have someone undress me. That way I can take control."

Danielle: "Watching a girl undress really slowly is so sexy – we should know, we're experts!"

Tickling

Nicole: "It can be really sexy if you run your hands lightly down the side of a girl's arms or back – that's hot."

Danielle: "Yes, not all touch has to be heavy. Light hands can be very enjoyable, too."

Voyeurism

Nicole: "I definitely like to watch – I think it's really hot to see two girls kiss."

Danielle: "We have to like watching other women – it's basically all we ever do on these shoots!"

Webcam

Nicole: "There's nothing hotter than a webcam

if you're away from each other – maybe have a casual chat in just your underwear and see where it goes from there."

Danielle: "Make sure the door's locked, though. Ha-ha!"

X-rated

Nicole: "If it's approached right, there's no reason why a few saucy films can't be brought into the bedroom."

Danielle: "Everyone has sneaked a peek at a rude movie at some point. Loads of couples watch porn together."

You

Nicole: "This is what it's not about – you! Please her first, then she'll always keep coming back."

Danielle: "Also – make sure you believe in you. If you don't feel sexy yourself, it's difficult for other people to find you sexy. Confidence is the root of sex appeal!"

Zzzzzzz

Nicole: "No girl can stay sexy without her beauty sleep."

Danielle: "Good Brownie points for a guy if you wake up in his arms." ❌

NEW SERIES!

Paddy's TV Guide

CHANNEL 4/HD • 10pm

Paddy McGuinness returns with a show that's *You've Been Framed* meets *Harry Hill's TV Burp*, namely delving into telly archives and showing clips of really bad TV shows which are unintentionally funny. It's nothing new but makes for OK post-pub viewing. He begins by looking at health and fitness, whatever that is.

West Brom vs Villa

ESPN/HD • 4.30pm

It's a Midlands derby for your delectation today, and who'd have predicted that the Baggies would be going into it as overwhelming favourites? Villa's season has been little short of catastrophic so far. They need the points badly in this one.

Saving Private Ryan

CHANNEL 4/HD • 10pm

From the opening scene, in which US troops storm the beaches of Normandy and are cut to pieces by German guns, to the closing Alamo-style defence of a bridge, this Second World War epic doesn't let up for a moment. Tom Hanks stars.

Vitor Belfort vs Michael Bisping

ESPN/HD • 2am

Britain's Bisping (above, right) should get a title shot if he wins tonight. But it's a big if. Brazilian Belfort's fought every great middleweight in the UFC. And it's in Belfort's backyard, where Bisping will have to stop the fight to win it. How? With a chunk of luck!

SKY SPORTS 1/HD • 1pm

Two of the biggest Prem games you'll find all season, back-to-back? Oh, go on then. A London derby between Chelsea and Arsenal kicks things off at Stamford Bridge, then we head across the city as Spurs host leaders Man United at White Hart Lane. So, a few hours of jostling for title tilts and Champions League spots it is. Belting!

★★★★★

Hawaii Five-0

SKY1/HD • 9pm

Fighting crime in a place as nice as Hawaii always struck us as being too much hassle, and it seems Danno and McGarrett have finally come round to our way of thinking as they go on a sea fishing trip. So, it's a bit of a pain when their boat's hijacked and they're left drifting on an inflatable raft. Should have just gone to a bar, lads!

★★★

There Will Be Blood

BBC TWO/HD • 11pm

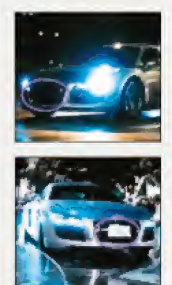

Remarkable, extremely odd period tale in which Daniel Day-Lewis plays a ruthless California oil prospector at the start of the 20th century trying to aggressively expand his empire. It's a tad confusing and very arty, but Day-Lewis chews up the screen.

Southampton vs Everton

SKY SPORTS 1/HD • 7pm

Southampton's battle against a swift return to the Championship continues, but they shouldn't expect many favours from the visitors. Everton are scrapping for a Champions League spot, a cause helped by a 3-1 win for them against Saints last September.

Arrow

SKY1/HD • 8pm

After a brutal dust-up with Dark Archer, Arrow decides this whole superhero lark might not be for him and takes a breather. Predictably, this lasts all of about five minutes, because Laurel needs his help investigating a vigilante's death. No rest for the wicked, eh, Arrow? Um, or the good, in your case.

FX/HD • 9pm

This new sitcom has been going in the US for a while, and it's incredibly funny. The observational comedy follows Louis CK as Louie, a fictional version of himself. This is, technically, a romantic comedy, but it's also another effort to roll off the Judd Apatow production line, so is worth a look. CONFESSION OF THE WEEK!

'We went up against a wall'

I WAS OUT for a few beers one evening when I bumped into a guy I knew from my old job. He's almost double my age but very sexy and a great laugh. After a few more drinks, some heavy flirting and a little kiss, we went outside. Before I knew it, his trousers were around his ankles and his hands were down my panties. I'd never done anything like it before but I just couldn't stop and wanted more. We ended up having sex against a brick wall around the corner from the bar. It was the best sex I've had in years, and I can't get it out of my head!

Hollie via email

'He made a rude call'

MY BOYFRIEND and I had gone for a drive one evening and ended up

going to a secluded spot to get a bit naughty in the back of his car. We got to it, moaning and groaning, and finished rather loudly! When we got back to his mum's house, she gave us the most awful look and went

into the kitchen, leaving us with his dad – only for him to tell us that my boyfriend had called his mum's mobile by accident! Her voicemail had kicked in and recorded the whole thing, and she'd listened to it all the way through. I left the house pretty swiftly that night and haven't been able to look his mum in the eye since.

Lisa via email

'I got horny in the cab'

I LEFT my new date's flat one night, really turned on by his amazing kissing and sexy hairy chest. His flatmate had been in all night and we hadn't had the chance to be alone. As I sat in the taxi home, dreaming, the bumps and curves of the road vibrated through the back seat. The driver was trying to pass the time with me and although I was answering his questions, my mind was occupied with thoughts of my fella and what I was missing out on. I soon had my fingers on my jeans, rubbing and pressing gently at my groin, getting hornier and hornier by the second. I eventually managed to unbutton my jeans and was bringing myself off while the cab driver carried on, still chatting, completely unaware of what I was doing!

'We got rude on campus'

LAST WEEK I was waiting for my boyfriend to pick me up after lectures. When he pulled up, he suggested we get naughty in the uni building. I like to scream, so finding a private place was a challenge. I remembered a small bathroom on the ground floor and we raced to get there, practically shoving each other inside. He pulled me towards him, slamming the door shut and locking it with a free hand. The other slipped down the back of my jeans, grabbing my bum as I pushed my hips against him. He picked me up, sat me on the sink and pumped into me hard and fast. We got faster and faster until I climaxed and he followed just seconds later. We left the bathroom with huge grins on our faces, hoping nobody had heard what we were up to.

10 RUDE QUESTIONS!

And a real girl to answer them!

Flame

24 Hertfordshire

1 Where's the strangest place you've had sex?

"I once told a boyfriend I wanted to do something naughty in the cinema. So, during *The Girl With The Dragon Tattoo*, I started getting very excited. We were soon having full sex in the dark. That's what you call picture perfect!"

2 What's your trademark move in the bedroom?

"Ha-ha! I can't say! I like to lick in a certain place. I couldn't possibly reveal where in a magazine."

3 What turns you on?

"I love receiving oral. I like to be handled slowly and gently. Why are boys always in such a rush?"

4 What's your favourite position?

"I like them all! I like going on top first though, then into the others."

5 What one thing would you really like to try but haven't yet?

"I'd like a threesome, but only in principle. I think I'd have to really like both of them for it to happen and I'm very picky. I'd maybe start with two girls

first – and then if I liked it, I might invite a boy!"

6 Ever got it on with another girl?

"Yes, I love girls. Girls don't kiss and tell like boys do."

7 Is it better to give or to receive?

"I like receiving. And I just don't care if that makes me sound greedy!"

8 What's your role-play costume of choice?

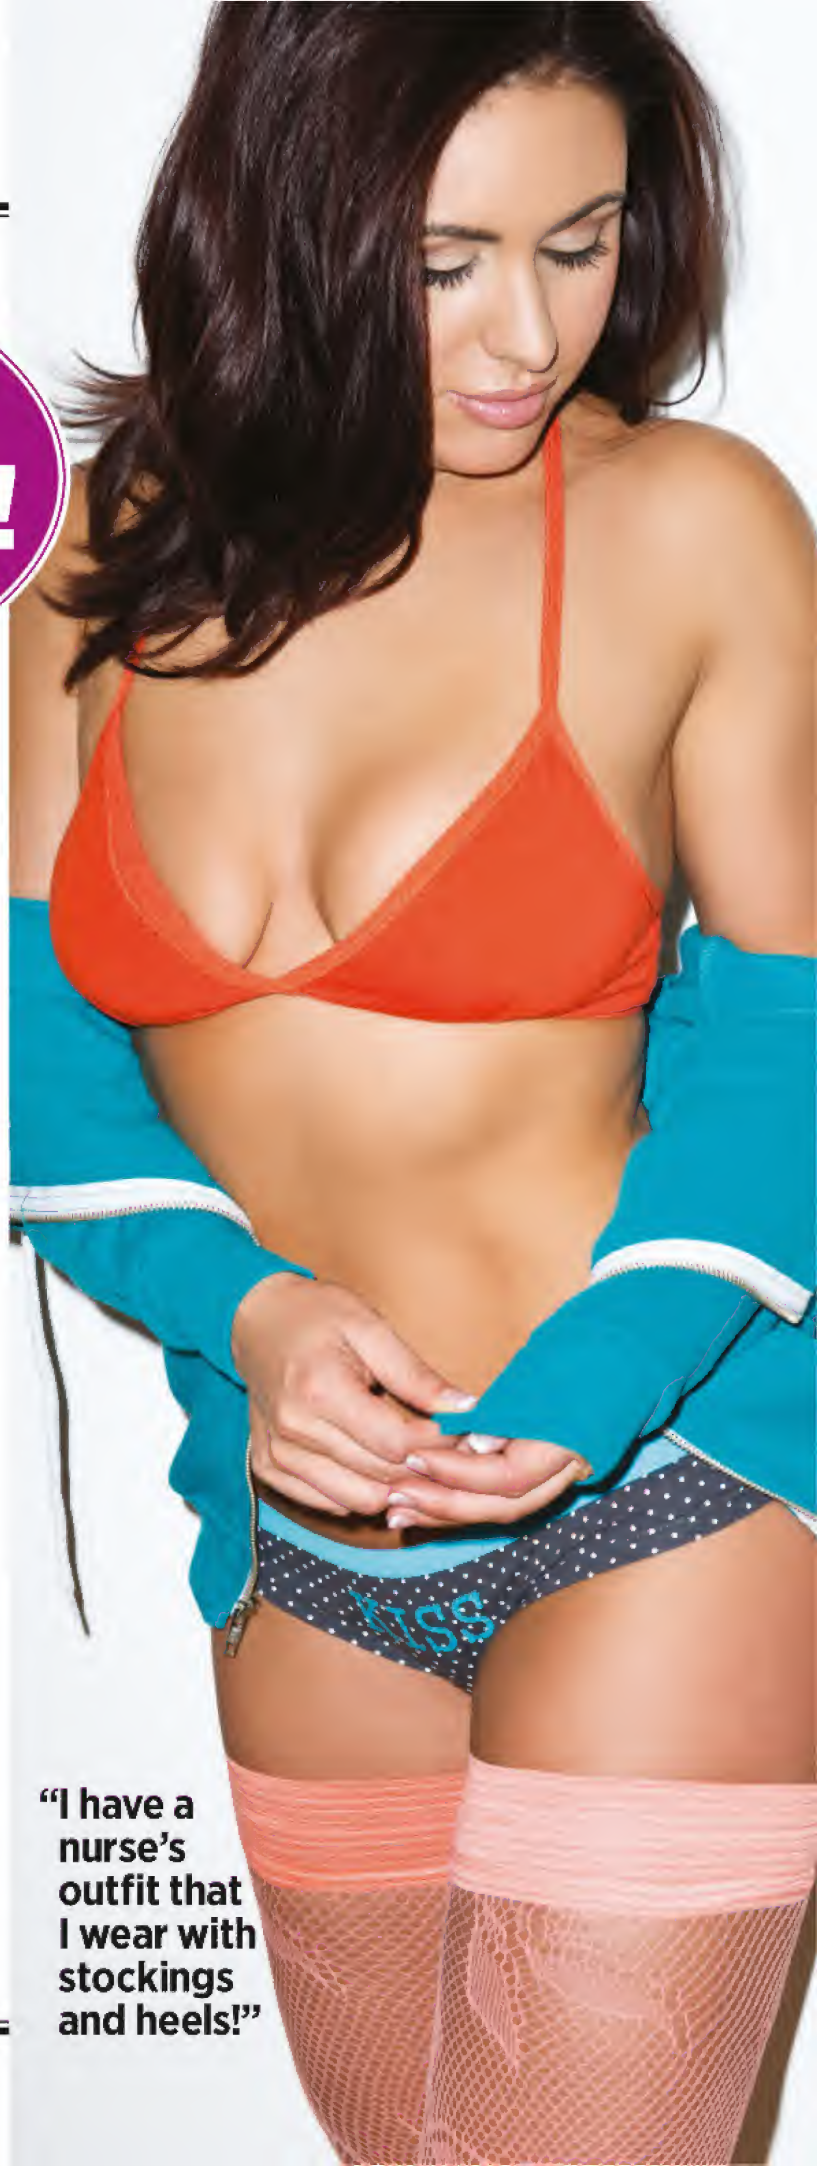

"A nurse's outfit. It's white, tight around my bum and I wear stockings and high heels with it. I also have the glasses – they're essential!"

9 Have you ever made a sex tape?

"I have. I had a fantasy of watching myself having sex, then having sex again while it played in the background. The experience definitely lived up to the hype!"

10 What's the rudest thing you've done?

"A guy asked me to come to his house and I arrived wearing a long coat. When he answered the door, I surprised him by revealing that I just had silky, black underwear and suspenders on underneath!"

"I have a nurse's outfit that I wear with stockings and heels!"

Africa Cup of Nations: ones to watch!

MOTD's Jonathan Pearce on the stars who'll rule in South Africa!

LIVE TV COVERAGE!

The Africa Cup of Nations is on Eurosport and ITV4 from 19 Jan to 10 Feb.

BONGANI KHUMALO

SOUTH AFRICA AND PAOK

"The hosts may not score fluently but the home support and defence could see them reach the last four. Centre-back Khumalo will be vital, just as he was in the 2010 World Cup win over France, when he scored. Prior to facing Algeria, South Africa conceded just six in his previous eight games."

"Oh crumbs - I think I've just dislocated my shoulder"

"Sod it, I'm going to hop my way to goal"

VICTOR MOSES

NIGERIA AND CHELSEA

"The former England Under-21 international is unbeaten in six senior internationals for the country of his birth and scored twice in a qualifier against Liberia last October. He signed off for this tournament with his fifth goal for Chelsea in their FA Cup tie at Southampton. He's fast, direct and dangerous."

YOUNES BELHANDA

MOROCCO AND MONTPELLIER

"Morocco have a very good forward in Belhanda, who played a major role alongside Olivier Giroud in winning Montpellier's first ever French title last year and has eight goals again this season. He can play wide or through the middle and can steer Morocco out of a fairly straightforward first-phase group."

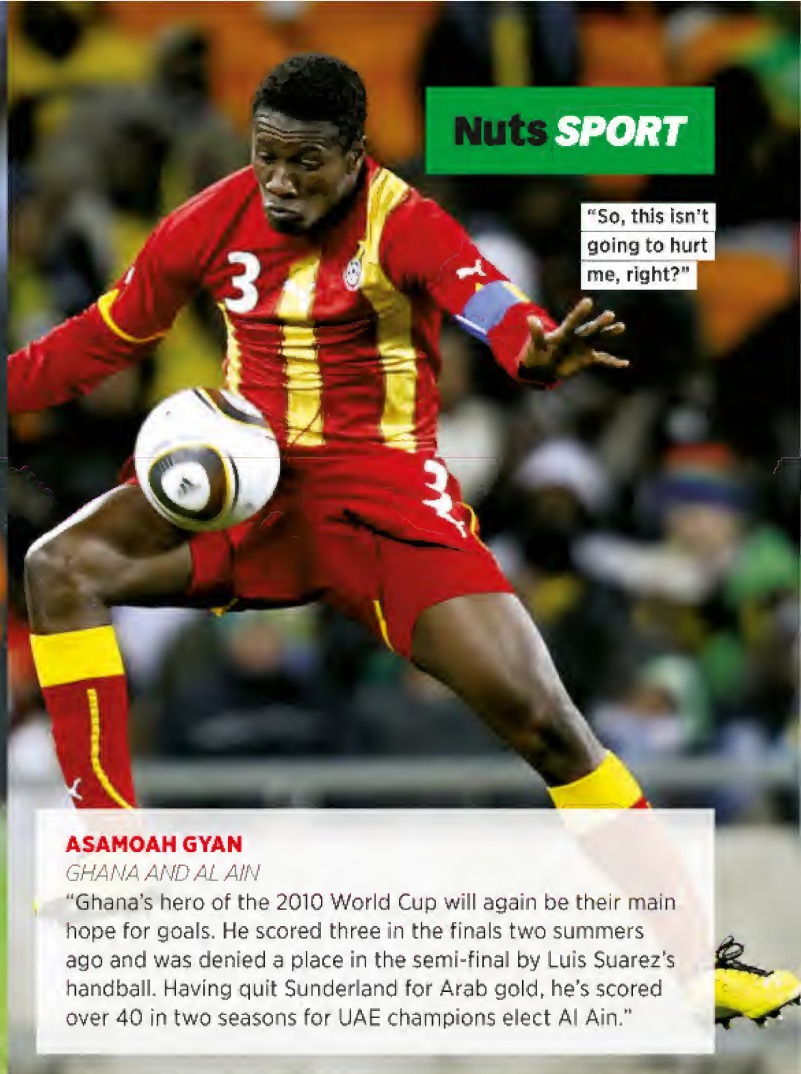

"Quick, grab my hand - I'm floating off!"

EMMANUEL MAYUKA

ZAMBIA AND SOUTHAMPTON

"The 22-year-old was the joint top-scorer in Zambia's Africa Cup of Nations triumph last year and hit 32 goals in 55 club games over two years in Swiss football. Prior to this week, Zambia had only scored six in 11 since the greatest night in their history a year ago, but Mayuka can be a match winner."

Nuts SPORT

"So, this isn't going to hurt me, right?"

ASAMOAH GYAN

GHANA AND AL AIN

"Ghana's hero of the 2010 World Cup will again be their main hope for goals. He scored three in the finals two summers ago and was denied a place in the semi-final by Luis Suarez's handball. Having quit Sunderland for Arab gold, he's scored over 40 in two seasons for UAE champions elect Al Ain."

"Oh my god! I've forgotten to record *Splash!*"

MODIBO MAIGA

MALI AND WEST HAM

"Sam Allardyce rarely wastes money. £4.7m on this 25-year-old was a gamble for some and he's looked a little raw at times, but he scored 24 goals in two seasons at Sochaux and has become a key figure in Mali's rise to 25th in the world rankings. With power and pace he could spearhead a shock run by Mali."

"I don't know who you think you're looking at, spider"

MAIN MAN!

YAYA TOURE

IVORY COAST AND MANCHESTER CITY

"The Man City midfielder could dominate the tournament. The only defeat suffered by Ivory Coast in their last 20 before this week came against Zambia on penalties in last year's final. Drogba will be the spearhead, but Yaya's the heartbeat with his yomping runs, goal-scoring and decisive tackling."

Defoe: 'Villas-Boas saved my career!'

The Spurs hitman on his new-found love of the game!

➔ Hi Jermain! Things are looking pretty good for Spurs at the moment, aren't they?

We're doing well, yeah. We had some ups and downs at the start of the season but of late, we've been a lot more consistent and shown our proper quality. The truth is we're a good team with a great spirit and now we're turning those facts into results.

You're in a great run of form. What's the secret?

I can honestly say I think I'm going to score in every game. I'm not being arrogant or anything, it's just that my self-belief is sky high and I can't wait for a chance to come my way. When you're a goal-scorer, being in this kind of zone is what you live for.

It's some turnaround from last season when you were in and out of the team. What's changed?

Just that – I've had a run

"My self-belief is sky high!"
Jermain Defoe

of games. I need playing minutes under my belt to stay fit and sharp but also to stay confident. Last season, I had a bit of a tough time. I was still scoring goals whenever a chance came my way but I ended up knowing I could quite easily end up on the bench the following game. For me, that's not a good situation. I'm a very miserable substitute! I didn't give up, though. I didn't let my head go down. I worked doubly hard in training and took my chances when I could.

But did you ever think you would leave Spurs?

It was a big possibility. As I say, I was miserable. I hated not playing and I was perhaps thinking my future was elsewhere. I love the players,

the fans, the club – it shows what the situation was like. I was really unhappy. You're a long time retired, so I needed to be playing regularly. I don't think that's a bad attitude, it's natural. So there was a lot of talk in the summer that I might move on but, thankfully, the new manager came in and everything changed.

How good has Andre Villas-Boas been for you?

He's been brilliant. From day one, he made me feel I was an important part of his plans for now and the future. He told me he wanted me to stay and after last season, it was music to my ears. He believes in me and I've responded to that, but ask anyone at the club – everyone thinks he's brilliant.

So you could say he kind of saved your Spurs career?
You could say that, yeah!

What did you expect from him after his spell at Chelsea?

It was obviously tough for him and I'm sure he knew that everyone was looking at him to see how it would go here. But he came in with fresh ideas, new methods and the lads all took to him straight away. He's a good man, you know.

What kind of bloke is he?

He's a top guy, honestly, a great human being. He takes the time to talk to every player and to see how they are. First and foremost, he's a fantastic coach but if you know that you have a manager who cares about you, you'll go out and

SUPER STRIKER!

In a career spanning over 400 league appearances, Defoe has scored over 150 goals.

Defoe facts!

- Jermain didn't play the full 90 minutes in his first 50 international appearances.
- In 2001, he scored in ten consecutive games while at Bournemouth (on loan), equalling the League's post-war record.
- He likes playing Wigan Athletic – he has scored ten Premier League goals against them, including five in one match!
- With 17 goals in 52 appearances, he's the joint 27th top England goal-scorer of all time. Four more goals will see him in the top 20.

play for him. The lads love him. Recent results have shown that.

Thanks, Jermain. Finally, what can Spurs, AVB-style, achieve this season?

We want top four. It will be difficult because this is the toughest league in the world – every match is a battle, no matter who you're against. But we're a talented group with great desire and a top manager, so why shouldn't we be confident? Play as I know we can and we'll be fine. Actually, I believe we can do better than that and achieve something special.

"Buffon is a top creeper"

That may be true, Alan Shearer, but he's also a top keeper.

Get the Messi look!

You can look like a Ballon d'Or winner on a budget!

➔ **WHEN LIONEL** Messi was once again crowned the best player in the world last week, our first response was, "Excellent! Thoroughly deserved!" Our second, as he went up to collect the award, was, "What the heck is he wearing?" Yes, his spangly evening suit was the talk of the football world – but now you can replicate Messi's style without having to earn his astronomic wages! And here's how...

WORDS: PETE CASHMORE PHOTOS: COLIN WILLIAMS, ACTION IMAGES

"I'd like to thank my mum, my manager, but not my hairdresser or stylist"

MAGICAL MESSI!

The four-time Ballon d'Or winner finished 2012 with an incredible 91 goals in just 69 games.

How to do 'the Messi'!

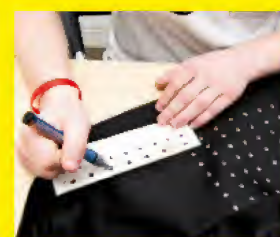

Your three-step guide to getting Lionel's style!

YOU WILL NEED:

One gentleman's black suit (Primark, £28); **One gentleman's white shirt** (Primark, £5); **One silver studded gentleman's bow-tie** (Moss Bros, £15); **One brown mop-top wig** (fancydress.com, £10.99). **TOTAL: £58.99**

1 Take your suit jacket and lay flat. Take out a silver fabric marker – this will be providing you with your glittery bits. Prepare for a long session of dot-drawing.

2 Create cardboard stencil with holes punched every two centimetres. Press on suit jacket and start covering it in equally-spaced silver dots.

3 Spray-paint football with gold paint to create Ballon d'Or trophy. Then adopt classic "little-legged man" pose (left) and hey presto, you're Messi!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"I wish I'd remembered my gloves"

Guardiola's Chelsea bound!

The ex-Barcelona boss is destined for the Bridge!

➔ **PEP GUARDIOLA** has declared himself ready to manage again and there's much speculation about which club he might go to, but for me he's a nailed-on certainty for Chelsea.

Roman Abramovich has wanted a team that play like Barcelona for a long time – the players that have been brought in are all small, skilful, Barcelona-style players (in fact, I wouldn't be surprised if Pep himself

tipped them the wink about who to buy). Everybody knows Rafa Benitez is only there on a temporary basis.

I'm sure the likes of Man City would've felt their ears prick up at the news as well, but I suspect that Mourinho is the best fit for the City bill – I can't see Jose taking the reins from Sir Alex at United because he doesn't have anything to prove.

At City, he can go and win the Champions League with yet another club and

underline he really is the Special One in this business.

Guardiola would be the crowning piece in the jigsaw for Abramovich – he has players like Mata, Oscar and Hazard, who are similar to Barcelona's players, not big six-footers who need to head the ball, because that's just not the way you need to play. Now he just needs somebody to recreate the style of play and subsequent success, and Guardiola is, to me, obviously that man.

"Woah, this grass is slippery!"

Let's hear it for Bradford!

I WAS so delighted for my old club, Bradford City, and their Capital One Cup heroics.

If an alien had landed that night and had been asked to guess which was the top-flight team, they'd have had to pick Bradford. They were unrelenting, they never stopped – even when they went 2-0 up, they kept bombing forward.

They conceded one and immediately you thought, "OK, they're going to concede again and the tie will be beyond them when they head down to Villa Park" but they piled forward and got another goal. It may be that the game proves to be their cup final, but it may just be written in the stars that they'll make English footballing history – a fourth tier team in a major domestic cup final! It'd be unprecedented. I really hope they get there.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

DOUBLE SHOCK!
My chest swelled with pride when I saw the heroics of Bradford City keeper Matt Duke and his team-mates – and then Michu's Swansea did a number on Chelsea!

UNBELIEVABLY BAD!

RACIST ABUSE!
Kevin Prince Boateng walking off has given racist fans the green light to try to get actual, competitive games abandoned, and that's not the way forward.

THE BIG MATCH!

"Hey! Stop blowing on me!"

Frank deserves a contract!

FRANK LAMPARD has been treated a touch shabbily by Chelsea. He's worth an 18-month extension, he's not a spent force, he can still do – and still does – a job for them. Speculation is flying that he could end up in China or the US, but why does he need to do that? He doesn't need the money, his other half has a fantastic job in this country, so why would he even want to? I'm sure that if you asked him for his best-case scenario, it'd be another season at the Bridge. OK, Chelsea have to look to the future, but you ease out your legends when they can't do their job any more and that's clearly not the case here. I can understand John Terry thinking about moving on, but Frank's been great for Chelsea. Let him end his time there with dignity.

Technically, Lamps was now in breach of his contact with Samsung

Chelsea vs Arsenal

20 JAN, 1.30pm • Sky Spl/HD

I can see Arsenal nicking this one – every time they get written off, they seem to come back with a good, unexpected result. A week in football can change everything and this could be the pep-up that they, and Arsene Wenger, need.

PREDICTION: 1-2

Key men

Arsenal are finally making a huge effort to keep hold of Theo Walcott. That's bound to give him a boost on the pitch as well as off.

Messi's my style icon!

LIONEL MESSI got my vote for the Ballon d'Or, and he certainly got my vote for the best dressed man of the evening, too. What about the dicky bow? I thought he looked absolutely fantastic, and I'm out there looking for a dicky to match next time I'm called to a fancy dinner. He was my hero before, but with that clobber, he's on his way to becoming a Kammy legend!
